

**CONTINUING SURVEY OF CLINICIANS
WHO HAVE CONSULTED OR TAUGHT IN A FOREIGN COUNTRY**

This is part of an ongoing project to identify clinical teachers in any country who have experience as consultants on legal education or as teachers in any capacity in countries other than their own (including their own schools' semester abroad or foreign summer programs). The compilation of the results of this survey over the years is on the University of South Carolina School of Law's web site. To access it, go to <http://www.law.sc.edu/clinic/compile.htm>.

If you have consulted or taught in other countries, or have confirmed plans to do so, please fill out this form (or report the information in any format) and send it to:
