

Wireless Printing Instructions

You must be logged in to the Law School's wireless system.

Click on the Start Button and then select Run. At the prompt type in:

[\\129.252.88.98\HPLJ8150](http://129.252.88.98/HPLJ8150)

The HPLJ8150 is located in Computer Lab 219.(Printer will be installed as COLAWSPRT219C)

You will have to login in to the student server. This is the same login as the computer labs.

Once logged in the print drivers will be installed.

The printer drivers will only install once.

You must log into the server every day to be able to print. A banner page will print before each printout to help identify your print job from other student printouts. The 1000 page print allowance is still in affect but the banner page will not count against your allowance.

Other Printers/Share Names that you may use are:
