

Fall 2011

Dear Incoming Law Students,

Congratulations on your acceptance to the University of South Carolina School of Law! Allow us to fulfill your political interests during your three years here. We serve to provide a forum for you to play an active role in shaping your government—local, state, and national.

The Democratic Party in South Carolina has just elected a new chairman and is beginning to implement new strategies in order to take back seats throughout our state. As our state continues to struggle through tough economic times, it is imperative that we hold our elected officials accountable. Only by bringing in new leaders will our state see the positive growth that is so desperately needed.

The Law Democrats will be very active this year. We view our primary goal as getting law students involved with the South Carolina Democratic Party and building connections between them and our elected officials. Our schedule, like last year, will include:

- Speeches from political leaders, candidates, and party officials;
- Lunch meetings;
- Happy hours with elected leaders, and;
- Volunteering opportunities.

Join us in our cause to change the politics of South Carolina and the United States. We look forward to your participation.

Thank you!
