

To the Class of 2011 & All Transfer Students,

We would like to personally welcome you to the USC School of Law on behalf of the Sports & Entertainment Law Society. Our organization's mission is to unite students with common interests in the pursuit and attainment of gainful experience and future employment in the fields of Sports & Entertainment Law.

To give you an idea of some of our planned activities, we will be hosting weekly Monday Night Football fundraisers, we will be bringing in guest speakers in related fields, and we will host various fundraising events to send interested members to National Sports & Entertainment Law Conferences. We are committed to building our Society into a powerful networking tool, and we are dedicated to the development of this organization as an asset for future students.

If you are interested in obtaining further information about our organization, the Law School will be holding an Organizations Fair on August 20th from 9:45 a.m. - 12:45 p.m. Additionally, we have included our personal email addresses if you should have any questions, ideas or comments that you would like addressed outside of the Fair. We want to wish you the best of luck as you begin your experience here at USC Law, and for you to know that we would be delighted to welcome you into the Sports & Entertainment Law Society.

Best regards,

Jason Locklair & Brandon Blewett

President & Vice President
Sports & Entertainment Law Society
